Visit from Channel 4 News

Staff members Scott and Georgina made their TV debuts when we had a surprise visit from Channel 4 News!

They came to the Centre to ask staff and community members what they think about current events.

A recreation of this momentous event appears to the left.

The Whinns Bowling Competition

We held the annual Whinns and Dundas vs Hawkhill bowling competition on Tuesday 30th April. The Centre provides a tasty buffet for this popular event.

After a fiercely competitive series of games, the highest scoring players from each of the three groups received a trophy.

Community Breakfast

We held CTSI's community breakfast on Monday 29th April. The theme this time centred on around how to best support young volunteers on their way to achieving the Saltire Award.

A wide-range of local organisations, community enterprises and charities gathered to network and share experiences.
